

# Department of Physics and Optical Science

## Are You an Engineering Major?

### You should consider a dual degree in physics!

- The program can be finished in 4 years!
- Earn a B.S. degree in Physics while you complete your engineering degree
- Broaden your knowledge base
- Increase your problem solving skills
- Make yourself more marketable

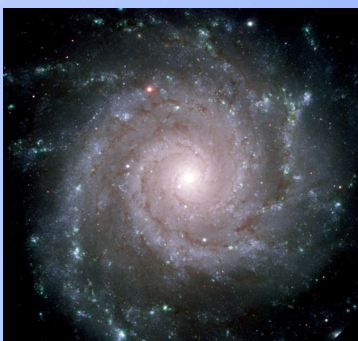

### Programs

B.S. Electrical Engineering and B.S. Physics

B.S. Computer Engineering and B.S. Physics

B.S. Mechanical Engineering and B.S. Physics
